Social club focused on discussing topics in the forensic sciences, current topics and symposiums about current research in forensics, and building and participating in an annual haunted house to raise money for THON: For The Kids, the well-known Penn State dance-a-thon fundraiser for children with cancer and their families.

WORKING EXPERIENCE

Car Wash Laborer

Summer 2021

Worked as cashier, customer service, and interior detailer at a local car wash. Included long and unsure hours outdoors, working quickly but ensuring high quality, and customer relations.

Veterinary Assistant

February 2022-2023

Vienna Animal Hospital

Included long hours (up to 7-hour shifts during the school week), learning how to restrain animals safely, helping veterinary technicians and veterinarians to vaccinate and phlebotomize animals, interacting with customers/owners in potentially sensitive situations, assisting in surgeries, properly disposing of euthanizations, and keep a medical office clean and organized. The workplace is small and busy, so efficiency and positive coworker relations are other qualities taught in this position.

Stand Manager

June - July 2024

Big Gorilla Fire

Job is based on the July 4th holiday season, so the employment is consolidated to about two and a half weeks, working every single day. Included extremely long hours (11-15 hour shifts) that were mainly completed alone outdoors, multiple times during extreme weather conditions (heat waves). Involved selling controlled paraphernalia (fireworks), checking IDs, managing a team of up to 6 other workers during the busiest days, and restocking the stand. Extremely intense work environment, especially during the busiest days, and requires a lot of good communication skills and organizational skills. Involved intense customer service, including interactions with upset customers during rush hours and busy days.
