PUBLICATIONS

- McClintock, A. S., **McCarrick, S. M.**, & Anderson, T. (2014). Excessive reassurance-seeking and interpersonal dependency: Assessing incremental associations. *Personality and Individual Differences, 64*, 94-97.

PRESENTATIONS

- McCarrick, S. M.**, McClintock, A. S., Anderson, T., & Hill, C. E. (2014, June). *Correlations of Traits, Experiences, and Attitudes with Interpersonal Performance Behaviors among Students Receiving Helping Skills Training*. Paper in panel presented at the annual meeting of the Society for Psychotherapy Research, Copenhagen, Denmark.
- Song, X., Anderson, T., Jiang, Y., McClintock, A. S., & **McCarrick, S. M.** (2013, October). *Factorial Structure of the EAC-B for Non-clinical Chinese Sample*. Poster presented at the annual meeting of the North American Society for Psychotherapy Research, Memphis, TN.
- McCarrick, S. M.**, Clouthier, T. L., Bernecker, S. L., & Levy, K. N. (2013, April). *Appeal of Four Psychotherapies for Borderline Personality Disorder*. Poster presented at the Spring 2013 Undergraduate Research Fair, The Pennsylvania State University, University Park, PA.

CLINICAL EXPERIENCE

- Psychology and Social Work Clinic** August 2014 – Present
Ohio University (Athens, OH)

*Clinician*Primary Supervisor: Sarah Racine, Ph.D.

Provided cognitive behavioral therapy (CBT) to university students and community members. Employed various problem- or disorder-specific techniques as well as skills related to the development of the working alliance. Presenting problems included domestic violence victimization, adjustment disorders, anxiety disorders, and depressive disorders.

Camp BOOST

July 2014 – August 2014

Ohio University (Athens, OH)

*Counselor*Supervisors: Brian Wymbs, Ph.D. and Frances Wymbs, Ph.D.

Role was to implement a modified version of the Summer Treatment Program (STP) for children ages 6 to 8 diagnosed with ADHD or normally-developing. This involved the use of a Behavior Tracking System to increase desired behaviors and to decrease unwanted behaviors and well as the development of rapport with the children. Also provided communication and social skills. Implemented Daily Report Cards (DRCs) to achieve desirable behavior goals.

RESEARCH EXPERIENCE

Psychotherapy and Interpersonal Process Research Lab

August 2013 - Present

Ohio University, Athens, OH

*Doctoral Student*Supervisor: Timothy Anderson, Ph.D.

Involved in research exploring psychotherapy process and outcome, particularly common factors across treatments. Responsibilities include preparation and write-up of grant applications, institutional review board applications, study protocols, manuscripts, and conference presentations; coding data; data entry, management, and analysis; research participant recruitment, tracking, and proctoring; and supervision of undergraduate research assistants.

Laboratory for Personality, Psychopathology, and Psychotherapy Research

January 2011 – May 2013

The Pennsylvania State University, University Park, PA

*Associate Lab Manager/Research Assistant*Supervisor: Kenneth N. Levy, Ph.D.

Involved managing and organizing over twenty undergraduate research assistants. Tasks included recruiting and scheduling participants, completing and submitting IRB proposals, completing chart reviews, consenting for and proctoring studies, transcribing semi-structured Adult Attachment Interviews, and analyzing data with SPSS and the FMRIB Software Library (FSL). I also assisted with data collection using EEG and fMRI.

Relationships and Stress Research Laboratory

May 2012 – May 2013

The Pennsylvania State University, University Park, PA

Research Assistant

Supervisor: Amy D. Marshall, Ph.D.

Conducted telephone interviews in which verbally administered the Posttraumatic Checklist (PCL), the Beck Depression Inventory II (BDI-II), and other measures. Proctored for a study using an aggression paradigm, eye tracking, and blood pressure measurements to examine the relationship between fear and aggression. Assisted with telephone interviews examining aggression in couples, edited protocols and measures, and serving as a confederate in studies.

PROFESSIONAL EXPERIENCES

Reviewer February 2014
 Journal: Psychotherapy Research
 Collaborated as an Ad Hoc reviewer for “Social Cognitive Correlates of LGB-Affirmative Practice among a Nationwide Sample of Therapists”

TEACHING EXPERIENCE

Ohio University Psychology Department
