Research Experience

Title	Laboratory Manager	May, 2013 – Present
Location	Laboratory for Personality, Psychopathology, and Psychotherapy Research The Pennsylvania State University – University Park, PA	
Supervisor	Kenneth N. Levy, Ph.D.	

Description Responsibilities include coordinating and managing over twenty research assistants (and their schedule changes and conflicts), via the delegation and management of projects and tasks in the laboratory. These projects include the scheduling and recruiting of participants for ongoing research studies, the oversight of participant data (raw data into SPSS, participant information into Access, etc.), the maintenance of the lab's website, in addition to other clerical responsibilities (e.g., updating Dr. Levy's CV, scheduling interviews and managing appointments, as well as planning travel and logging financial information for the University). Additional responsibilities include communicating problems and suggestions for improvement and efficiency of the lab with Dr. Levy, and updating and reviewing IRBs in Penn State's "PRAMS" database.

Title Adult Attachment Interview
Coordinator May, 2011 – May, 2013

Location Laboratory for Personality, Psychopathology, and Psychotherapy Research
The Pennsylvania State University – University Park, PA

Supervisor Kenneth N. Levy, Ph.D.

Description In addition to some of the general research assistant responsibilities (see below), my responsibilities as the Adult Attachment Interview (AAI) Coordinator included training research assistants on how to properly transcribe AAIs, reviewing and tracking the lab's overall progress in transcribing AAIs (which involved the creation of reports, spreadsheets, databases and memos), and supporting RA training by writing a new AAI manual, in addition to answering any questions that may arise.

Title Research Assistant November, 2010 – May, 2011

Location Laboratory for Personality, Psychopathology, and Psychotherapy Research
The Pennsylvania State University – University Park, PA

Supervisor Kenneth N. Levy, Ph.D.

Description Responsibilities included entering participant data via SPSS and Excel,

entering, collecting, and scanning journal articles into EndNote, as well as transcribing Adult Attachment Interviews, proctoring studies involving dozens of participants, in addition to the preparation and assembly of participant packets that contained measures and other demographic forms.

Work Experience

Title	Pharmacy Sales Associate	July, 2010 – Present
Location	Walmart – State College, PA	
Supervisor	Greg Lute, M.A., Pharm.D.	
Description	Job duties include filling prescriptions, scanning prescriptions into input, running the cash register and TASCOS system, answering phones, etc. Transferred from Training Coordinator position to pursue a college education.	

Title	Training Coordinator	October, 2008 – July, 2010
Location	Walmart – Huntingdon, PA	
Supervisor	Vickie Leiter	
Description	Received highest possible rating on evaluation: "Role Model." Coordinated all community involvement activities within the facility. Cited for excellence in interpersonal communications, focus on team-building, customer service, flexibility, reliability, and thorough knowledge of company policies. Recognized for superior overall performance and dedicated service commitment by earning the "Associate of the Month" award.	
Title	Merchandise Supervisor (Shoes)	March, 2008 – October, 2008
Location	Walmart – Huntingdon, PA	
Supervisor	Misti Pighetti	
Description	Received highest possible rating on evaluation: "Exceeds Expectations." Responsible for mentoring the associates in my department, which resulted in significant improvements in the department's overall function, customer service and stress management skills. Job duties included: maintaining department inventory by utilizing reports, delegating tasks to associates, performing customer service, writing and delivering performance evaluations, and interviewing applicants.	
Title	Customer Service Supervisor	July 2007 – March, 2008
Location	Walmart – Huntingdon, PA	
Supervisor	Donald Straub	
Description	Received highest possible rating on evaluation: "Exceeds Expectations." Job duties included: making quick, important customer service decisions,	

maintaining a quality, positive working environment, being responsible for approximately 15-25 associates on any given shift, getting change for cashiers, and managing/logging a \$2,000 change fund.
