RESEARCH EXPERIENCE:

Undergraduate Research Assistant for Dr. Kenneth Levy (January 2018-present)

Laboratory of Personality, Psychopathology, and Psychotherapy, Pennsylvania State University

Involved in on-going NIMH and foundation grant funded research program investigating change in attachment representations during a randomized controlled psychotherapy trial. Involved in the recruitment and running of participants, the transcription of semi-structured interviews, coding data, entering data, editing large data sets, and data analysis using SPSS and general lab functions. Assistant in the preparation and writing of grant applications, manuscripts, and conference presentations. Attended weekly laboratory meetings to discuss current and future projects, address logistical issues, and keep abreast of current research.

EMPLOYMENT:

Maintenance Staff at Self Help Movement (Summers from 2016-present)

Involved in general upkeep of the Drug and Alcohol Rehabilitation Center, including ensuring all lights are working and repairing any broken objects such as doors, tables, chairs, walls, fans, and

other household items. Also involved in keeping all three floors clean and tidy, as well as painting dull areas and aiding in advanced electrical work.

Beverage/Food Vendor at The Union League Golf Club of Torresdale (June 2015-September 2015)

Involved in the sale and distribution of a variety of food and drinks, including hot dogs and burgers that I cooked myself, as well as snacks and a plethora of soda, sports drinks, and water. Everyday I would drive a golf cart out to the seventh hole, where I would set up my stand and begin sales.
