CAREER OBJECTIVE

I am a student at The Pennsylvania State University majoring in Psychology B.S. with the option of Neuroscience, whilst on a Pre-Medicine track. I am in pursuit to attend Medical School with the goal of obtaining a career in Psychiatry.

EDUCATION

The Pennsylvania State University (2018-2022)
Major: Psychology, B.S (Neuroscience Option)
Cumulative GPA: 3.43
Psychology GPA: 3.57

ACADEMIC HONORS AND SOCIETIES

Dean's List THE PENNSYLVANIA STATE UNIVERSITY (Fall 2019)
Dean's List THE PENNSYLVANIA STATE UNIVERSITY (Spring 2020)

WORK EXPERIENCE

Intern (June 2019 - August 2019)

ECOWAS Commission, Abuja, Nigeria

<https://www.ecowas.int>

Worked in the office of the Vice President of ECOWAS, Madam Finda Koroma, on the Human Capital Development project, specifically in the areas of health and nutrition. Contributed extensive research on the human capital strategies and policies, the national development strategy, and health and nutritional policies of the 15 ECOWAS member states. Was additionally involved with transcribing meetings between members of the Vice President's office and members of the Bill and Melinda Gates Foundation project in Abuja, Nigeria.

ORGANIZATIONS/CLUBS

The Pennsylvania State University: American Medical Student Association (AMSA)

(August 2018 – Present)

Member (August 2018-Present)

Worked with The Pennsylvania State University Pre-Medicine Society (now AMSA) and Red Cross to obtain units of blood and cumulate money that would go towards Penn State's THON. THON is an annual student-run philanthropy that aims to enhance the lives of children and families impacted by pediatric cancer.

The Pennsylvania State University: Eclipse THON Organization

(August 2019 – Present)

Member (August 2019-Present)

THON is a student run philanthropy committed to helping the lives of children and families impacted by pediatric cancer. My role as a member in Eclipse is to obtain various volunteering positions to raise money for this cause.

VOLUNTEER WORK

The Pennsylvania State University: Tailgate Ambassador (April 2019)

Worked along side the Centre County Recycling and Refuse Authority in order to promote environmentally responsible tailgating practices. Additionally, helped hand out trash and recycling bags to different lots at The Pennsylvania State University's Beaver stadium during its annual "Blue and White" game.
